

2014 Smith Magenis Syndrome (SMS) Camp Testimonials from Parents

“This camp was beyond my expectations.”

“Breakaway Carers & Volunteers are exceptional.”

“Thankyou to Team Breakaway for an amazing, nuturing & informative camp as always.”

“This was our 6th SMS camp and yet again it never fails to amaze us - the selfless, generous, caring and non-judgemental volunteers.”

“Awesome and well organized camp. We didn't see our kids much which means they had as much fun as us. It was great to come back to share our experiences with younger families.”

“Volunteers & staff made every effort to ensure our comfort.”

“It's great to know that there are others who understand your situation and who you can contact if you need to.”

“You have such lovely volunteers, who give up their precious time to support our SMS children through the camp and give us a break. Thankyou.”

“Keep the camps coming.
Camp Breakaway is changing lives.
Thankyou once again.”
